INVITATION.

The Chair laid before the Senate the following invitation:

Austin, Texas, Nov. 8, 1932.

To the Members of the 42nd Legislature.

Gentlemen:

We take the liberty of calling your attention to the attached clipping from one of the leading daily papers, with reference to the State Fox Hunt, that will be held near Huntsville, November 14th, 15th, 16th and 17th. We sincerely hope that as many of you and your friends as possible will arrange to attend for a portion, if not for all, of the time. We believe that it will be worth your while in many ways. It will afford many of you an opportunity to visit a portion of the State that you perhaps have not seen. It will afford an opportunity for you to make a contact with some of the finest people on earth and, at the same time, will be a fine outing.

Looking forward to the pleasure of seeing many of you and with an expression of our appreciation of your indulgence, we are

Sincerely yours,

GORDON M. BURNS,

PHIL L. SANDERS.

On motion of Senator Pollard, the invitation was accepted.

Fox and Wolf Hunters Make Elaborate Plans for Meeting

Special to The News.

FORT WORTH, Texas Nov. 7.—The assembly of the Texas Fox and Wolf Hunter's Association at Camp John D. Rodgers, twelve miles southeast of Huntsville, Nov. 14 to 17, inclusive, will see one of the greatest gatherings of the sporting fraternity of the Southwest that the association has entertained in many years. The hunt will be in celebration of the fortieth anniversary of the association.

Jesse Carter, president of the State association, and Frank W. Austin, one of the judges of the hunt, both of Fort Worth, are actively furthering the interests of the hunt in the vicinity of Fort Worth and Dallas. Phil Sanders of Nacogdoches will be master of the hunt. The derby bench show will be judged

by Ed Newblock of Tulsa, Okla., and the all-age bench show by Frank Masters of Lexington, Ky. Other well-known members of the association who will be present are Dr. George Veal, Dallas; J. W. Elliott, Mexia; Carl DuPuy, Lufkin; Cone Johnson, Tyler, and Tom Masters, Chicago.

The Huntsville Hunting Club reports there is a plentiful supply of foxes and timber wolves to furnish races. The Huntsville club, under the direction of Dr. L. H. Bush, president, is lending every cooperation to the State association to make the event one of the most colorful and exciting in the history of the association.

Over 300 hounds from the States of Texas, Oklahoma, Arkansas and Louisiana, with a sprinkling of dogs from as far away as Illinois, are scheduled to participate. Notable among these will be such breeds as Walker, July, Goodman and Trigg—hounds that have taken prizes at the field trials staged by leading clubs of the South and Southwest.

Camp John D. Rodgers has been provided with restaurant and barber shop facilities and extra tents have been provided for those visitors who do not have their own. The camp will be enlivened by several entertainment features, among which will be a minstrel show presented by inmates from the State prison. The first cast will be made at daylight on Nov. 14, with successive ones each morning through the 17th.

At Ease.

On motion of Senator Stevenson, the Senate, at 10:10 o'clock a. m., stood at ease subject to the call of the Chair.
